

# Getting started with Hoopla Digital

## Step 1: Register for a free Hoopla Digital account

Either go to [hoopladigital.com](http://hoopladigital.com) and click the get started button or download the free Hoopla Digital app.

## Step 2: Enter your information

Enter your email address and create a new password. Review Hoopla Digital's terms and conditions and click on the Agree button. Once your account is verified, you will need this email address and password to sign into Hoopla Digital.

## 3: Choose your library

Either choose your library from a list of local libraries or use the search box for a specific library. Click on the Next button to continue registering.

✔ Choose your library

Search by library name, city, state or zip code

San Francisco Public Library SAN FRANCISCO, CA	0 MILES
Sausalito Public Library SAUSALITO, CA	7 MILES
Belvedere Tiburon Library TIBURON, CA	7 MILES

The list includes over 1,500 library systems in the US and Canada that offer the hoopla service. If your library isn't in the list, please contact them directly and ask them to offer hoopla to their patrons!

Step 4: Enter your library card number.

Type your library card number, without spaces, in the box. Click on the Sign Me Up button. If your library card number ever changes, you will need to update your Hoopla Digital account at Settings > Library > Library Card Number.

Step 5: Start using Hoopla Digital

You're done! You will now be automatically signed into Hoopla Digital. If you need to sign into Hoopla Digital in the future, use the address and password you registered in Step 2.

Additional information:

When you next check your email, you'll find a welcome message from Hoopla Digital, describing the library subscription.

If you ever replace your library card number, remember to update it in your Hoopla Digital account settings
