Beanstack for Summer Reading

What is Beanstack?

Beanstack is the library's web-based Summer Reading Program software. It allows you to track your reading minutes/activities and earn rewards.

How do I register?

1. Go to Marsareapubliclibrary.beanstack.org
2. If you participated in our past Summer Programs, you can log in and get started using your previous username and password. Just remember to update your age and grade.
3. Click on the blue "Register an Individual or Family" button.
4. Fill in the information. If you are a parent registering a child, be sure to enter in your information under "Adult Information." Beanstack allows families to be linked together, so that all family members can be accessed with one login.
5. Once you are registered, you will be taken to your account page. This is where you will log your minutes, activities, and track the badges you earn!

How do I log minutes and activities?

1. Go to Marsareapubliclibrary.beanstack.org or download the Beanstack Tracker app for Android and iPhone.
2. Click on the blue "Log Reading and Activities" button in the upper left corner or on the blue plus sign in the app.
3. Follow the prompts on the screen to log whatever you've accomplished.

We are trying to cut back on paper waste this year. If you would like to print a pdf version, download and print from our website. Just make sure to enter everything into beanstack to earn your completion prize!

Reading Tracker

If you've read for 480 minutes, that means you've completed the Summer Reading Challenge! Log everything into beanstack to collect your prize!

Reading Tracker

Read for another 480 minutes for more virtual raffle tickets!
